Fresh Air Deodorizer (Lavender)

AC Odor Eliminator

Technical Data Sheet (TDS)

Areas of Use

- It is effective against odors accumulated in the car interior or emitted from the air conditioning system.
- Within a short time (max. 15 min.) removes the unpleasant odors in vehicle interiors and A/C systems.
- Easy to use, with no need to disassemble the A/C pollen or dust filter.
- Leaves a pleasant, fresh and clean aroma behind.

Directions for Use

- Start the engine.
- Switch on the air conditioning system.
- Set the temperature control to maximum cool, set the A/C air from inside car (re-circulate).
- Wait 3 minutes for cool down the inside of the car.
- Shake aerosol well.
- Set the air distributor switch to face.
- Place the product at the passenger’s footwell.
- Activate the spray head.
- Close the doors and windows.
- Run the engine for 7 minutes.
- Stop the engine, open all doors and ventilate for 3 minutes.

Packaging Specifications

Size
200 ML

Physical and Chemical Properties

Appearance	**Aerosol**
Colour	**Colorless**
Odour	**characteristic**
Melting point / freezing point	**not available**
Initial boiling point	**not available**
Flammability	**Flammable**
Explosive properties	**There is a risk of explosion at temperatures above 50 ºC**
Lower explosive limit	**not available**
Upper explosive limit	**not available**
Flash point	**not available**
Auto-ignition temperature	**not available**
Decomposition temperature	**not available**
pH	**not available**
Kinematic viscosity	**not available**
Solubility	**Insoluble in water**
Partition coefficient: n-octanol/water	**not available**
Vapour pressure	**not available**
Density and/or relative density	**0.70-0.75 g/cm³**
Relative vapour density	**not available**
Particle characteristics	**not applicable**

Consumer Information

Hazard Statements (H)

- H222 Extremely flammable aerosol.
- H229 Pressurised container: may burst if heated.
- H317 May cause an allergic skin reaction.
- H319 Causes serious eye irritation.

Precautionary Statements (P)

Prevention

- P210 Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.
- P211 Do not spray on an open flame or other ignition source.
- P251 Do not pierce or burn, even after use.
- P261 Avoid breathing dust / fume / gas / mist / vapours / spray.
- P280 Wear protective gloves/ protective clothing / eye protection / face protection.

Storage

- P410+P412 Protect from sunlight. Do not expose to temperatures exceeding 50°C / 122°F.
